### • SERVICE SPOTLIGHT •

Get involved in a new service organization on campus that is completely founded by and run by WM students! "Students Serve" is a national 501(c)3 nonprofit organization that provides community service grants to innovative college students across the country. Through self-designed projects, students are able to apply the knowledge that they are acquiring in school to solve problems in their communities. The grants enrich the academic experience of the students who are implementing the service-learning projects and create meaningful changes in communities." ## • SERVICE SPOTLIGHT •

This spring, from March 7-15, we will be traveling to McCreary County, Kentucky, a very poor area in the Appalachians, where many of its residents have damaged and inadequate housing, or no housing at all. We'll be working with a local organization, McCreary County Community Housing Development Org ([www.mcchdo.org](http://www.mcchdo.org)) to help this Kentucky community build and repair its homes.

Contact Emily for an application ([egcrim@wm.edu](mailto:egcrim@wm.edu)) and return it by Tuesday September 30. If you haven't been super involved in APO in the past but are looking to do so, this is the perfect opportunity!

Please contact [aposbstc@wm.edu](mailto:aposbstc@wm.edu) with any questions! Also, come out to the SBST Car Wash at Bloom this Saturday, 10am-2pm!

Phoenix Project  
 Make a Difference Day:  
 October 18<sup>th</sup>

The Phoenix Project in Petersburg is going to have a community clean-up of the Route 36 corridor, which is really important for the community development efforts as a symbol of the beginnings of change there. We need 50 volunteers, who are committed to community service on maybe a bigger level than other groups (since it does involve travel and therefore is a little bit of a longer project). We will carpool!  
 More information to come.
